

# IESES 2020

## CAGLIARI, SARDINIA (ITALY)

### 20-22 APRIL 2020

IEEE 2<sup>nd</sup> International Conference  
on Industrial Electronics  
for Sustainable Energy Systems

#### HONORARY CHAIRS

**Prof. Nihal Kularatna**

University of Waikato, New Zealand

**Prof. Carlo Cecati**

University of L'Aquila, Italy

**Prof. Xinghuo Yu**

RMIT University, Australia

**Prof. Terry Martin**

University of Arkansas, USA

#### GENERAL CO-CHAIRS

**Prof. Alfonso Damiano**

University of Cagliari, Italy

**Prof. Mo-Yuen Chow**

North Carolina State University, USA

**Prof. Chandan Chakraborty**

Indian Institute of Technology Kharagpur, India

#### TECHNICAL PROGRAMME COMMITTEE CO-CHAIRS

**Prof. Federico Baronti**

University of Pisa, Italy

**Prof. Milos Manic**

Virginia Commonwealth University, USA

**Prof. Chengbin Ma**

University of Michigan-Shanghai Jiao

Tong University Joint Institute, China

#### SPECIAL SESSION CHAIRS

**Prof. Concettina Buccella**

University of L'Aquila, Italy

**Prof. King Fung Tsang**

City University of Hong Kong, China

#### TREASURER

**Dr. Alessandro Serpi**

University of Cagliari, Italy

#### PUBLICATION CHAIR

**Prof. Roberto Saletti**

University of Pisa, Italy

#### LOCAL ORGANIZING COMMITTEE CHAIR

**Dr. Mario Porru**

University of Cagliari, Italy

## CALL FOR PAPERS

The 2<sup>nd</sup> IEEE International Conference on Industrial Electronics for Sustainable Energy Systems (IESES 2020) will be held in Cagliari, Sardinia, Italy on April 20-22, 2020.

IESES 2020 aims at providing an open, inspiring and friendly environment to share ideas, innovative solutions and research results related to sustainable energy systems. IESES 2020 will feature both industrial-driven and application-oriented sessions, as well as expositions. IESES 2020 will bring together practicing engineers, researchers and other professionals for interactive and multidisciplinary discussions on the latest advances in various industrial electronics technologies, such as energy storage and conversion, power electronics, power systems, electric transportation and embedded systems.

The conference is sponsored by the IES Technical Committee on Energy Storage.

Technical papers are solicited on any subject pertaining to the scope of the conference that includes, but is not limited to, the following major topics:

- T1. Energy storage devices
- T2. Power converters
- T3. Renewable energy systems
- T4. Microgrids
- T5. Resilience for energy systems
- T6. Transport electrification
- T7. IoT for sustainable energy systems
- T8. Smart buildings

#### PAPER SUBMISSION GUIDELINE

Prospective authors are invited to submit regular papers of their work in English (full paper length: up to 6 proceeding pages). Accepted and presented papers will be submitted for inclusion in the IEEE Xplore online digital library and EI Compendex database.

#### SPECIAL SESSIONS

Prospective participants of IESES 2020 are encouraged to organize special sessions in a particular area within the conference topics.

#### IMPORTANT DATES

**Special Session proposal deadline:** 1 November 2019

**First Paper submission deadline:** 10 November 2019

**Paper Acceptance notification:** 7 January 2020

**Camera-ready and Early registration:** 14 February 2020

**Conference:** 20-22 April 2020

## VENUE & TOURIST INFORMATION

### CONFERENCE VENUE

IESES 2020 will be held at the Hotel Regina Margherita Conference Centre, viale Regina Margherita 44, Cagliari. This nice 4-star hotel, located in the city centre offers well-equipped meeting facilities, excellent food & beverage service and modern rooms.  
[www.hotelreginamargherita.com/](http://www.hotelreginamargherita.com/)

### HOTEL ACCOMMODATION

Cagliari offers a wide range of accommodations, from luxury to low-cost hotels. IESES attendees will have the opportunity to reserve their rooms at conference rate at the Regina Margherita hotel, event venue. More information will be soon posted on the conference website.

### HOW TO GET TO CAGLIARI

Cagliari lies in the south of the Italian island of Sardinia. It can be reached by plane or ship.

**By plane:** Cagliari's international airport, about 20 minutes away from the city centre, allows daily connections with the many national and international cities.

**By ship:** Ferry boat connections with many destinations are also available. The Port of Cagliari, one of the largest seaports in the Mediterranean Sea, is located close to the city centre. Cagliari is also an important landing place to several ships cruising the Mediterranean.

### ABOUT THE HOSTING CITY, CAGLIARI

*"The city of Love", "The city of the sun", "...Golden-looking... Rising rather bare and proud... Like a town in a monkish, illuminated missal".*

Writers and poets have always been fascinated by the beauty of the capital of Sardinia, a light-filled city, situated in the heart of the Mediterranean, on the shore of the beautiful Gulf of the Angels.

Cagliari boasts important traces of its rich past: ancient Roman ruins, museums filled with prehistoric artefacts, centuries-old churches and elegant palazzi. With a metropolitan area of about half a million inhabitants, this is a surprisingly lively city, offering an attractive mix of history, nature, beach tourism and night life. A dynamic cultural centre thanks to its museums, monuments, theatres and University with hundreds of students coming from many different countries.

## VENUE & TOURIST INFORMATION

Cagliari is also an innovative and sustainable city with a 7-km-long sandy beach with crystal clear waters and all around naturalistic parks and environment-friendly areas.

Last but not least, Sardinia has a renowned food and wine tradition thanks to many high-quality genuine products.

**Not to be missed:** every year, at the beginning of May just a few days after the IESES conference, Cagliari hosts the *Festa di S.Efisia* (Feast of St. Ephisius), one of the most important traditional religious celebration in Italy. A great chance to live an unforgettable experience in this amazing city!

### ABOUT SARDINIA

*"This land does not look like any other place. Sardinia is something else: enchanting space all around and distances to be travelled, nothing is finite, nothing is defined. It is like freedom itself."*

(David Herbert Lawrence)

Sardinia is an amazing land where millenary history, culture and traditions meet natural beauty.

A real jewel, the pearl of the Mediterranean, between the sea and the sky.

Beyond Cagliari, many excursion opportunities are at your disposal.
