CALL FOR PAPERS

SMARTBLOCK4AFRICA CONFERENCE 2024

Babcock University, Nigeria and Valley View University, Ghana in collaboration with IEEE presents the SMARTBLOCK4AFRICA 2024 conference.

The conference aims to foster dialogue and innovation in leveraging technological advancements for the sustainable development and security of African nations. One of the aims of the conference is the adoption of blockchain and other emerging technologies in sustaining Africa.

The SMARTBLOCK4AFRICA 2024 Conference invites researchers, academicians, practitioners, and industry experts to submit their contributions to the discourse on "Emerging and Resilient Technologies in Building and Securing African Nations."

TOPICS OF INTEREST INCLUDE BUT NOT LIMITED TO:

- Distributed Ledger/ Block Chain Technology
- Artificial Intelligence and Machine Learning
- Human Machine Interaction
- Analytics and Data Mining
- Intelligent Systems
- Knowledge Graph
- Cloud Computing
- Parallel Computing
- Distributed Computing
- Mobile Computing
- Networking
- Reverse Engineering
- Decision Support System
- Smart Technology
- Cyber Security
- Information Security
- Hacking
- Data Protection
- IoT and Related Technologies
- Health Informatics

- Embedded Systems
- Financial Technology, Crypto and
- Digital Currency
- Nanotechnology
- Unmanned Aerial Network
- Driverless Cars
- Renewable Energy Technologies
- Persuasive Computing
- Image Processing
- Digital and Virtual Classroom
- Wireless Sensor Network
- Distance Learning
- Biotechnology.

SMARTBLOCK4AFRICA MODE OF PRESENTATION

It is an in-person and virtual event featuring technical papers & presentations, posters and workshops.

Prominent experts will be giving keynotes, plenary presentations and invited talks. Best Posters and Papers in the conference will be eligible for awards. Accepted papers will be considered for publication in the IEEE Blockchain 2024 Proceedings.

Conference content that meets IEEE quality review standards and format will be submitted for Inclusion into IEEE Xplore as well as other Abstracting & Indexing (A&I) databases. Papers are solicited for presentations from industry, government and academia (including students) covering relevant research, technologies, methodologies, tools, case studies and public policy

IMPORTANT DATES

Paper Submission Deadline:
Sunday, June 30, 2024
Notification of paper Acceptance:
Wednesday, July 3, 2024
Conference Dates:
30th Sept - 1st Oct and 3rd - 4th Oct, 2024

JOIN US TODAY!

Join us in shaping the future of African nations through innovative technologies at **SMARTBLOCK4AFRICA 2024!** For further details and submission instructions, please visit the conference website in Nigeria - https://ieee.babcock.edu.ng or click here to visit the conference website in Ghana - https://ieee.vvu.edu.gh
