

Carissimi,

anche quest'anno il nostro Power & Energy Society Chapter PE31 dell'IEEE Italy Section bandisce il premio “**Best Thesis Award**” per la migliore tesi di dottorato di un membro della nostra Society che abbia discusso la tesi nell'anno 2022.

Il premio consiste in un certificato e in una somma in denaro di 500 €.

La scadenza per la presentazione delle candidature è la mezzanotte del prossimo 25 luglio 2023.

La procedura di valutazione terminerà il 15 settembre 2023 e il premio verrà consegnato durante la prima occasione utile nel corso del 2023.

Il bando e il regolamento, che trovate in ogni caso nel nuovo [sito](#) alla pagina [Awards](#) cliccando su “[Best Thesis Award](#)”, sono riportati in calce a questa mail.

Cordialmente,

Samuele Grillo, Sergio Bruno, Giuditta Pisano

IEEE Italy Section – Power & Energy Society Chapter PE31

ANNOUNCEMENT

Best Thesis Awards in Power Engineering

Following an already well-established tradition, the IEEE Italy Section – Power & Energy Society Chapter PE31 recognizes distinguished work in the field of Power Engineering (power system, power delivery and energy conversion topics) through the presentation of Awards for the best PhD thesis defended in an Italian University. The Award consists of a 500 € honorarium and a certificate.

The Award will be assigned to the best PhD thesis defended in 2022.

Candidates must be Members of IEEE PES and must fulfill the following requisites:

- have completed the Doctoral Course at an Italian University;
- defended his/her PhD thesis in 2022;
- **send their application, by the midnight of July 25th, 2023**, together with:
 - a self-certification of IEEE-PES membership (format available in attachment);
 - the pdf file of the dissertation;
 - a copy of publications concerning the dissertation topic, if any;
 - a curriculum vitae listing educational background, positions held, publications, awards, etc.

All documents **must** be sent in electronic format by e-mail (please do not exceed 5 MB or send it through a large-file sending service, e.g., WeTransfer, Filesender GARR).

Theses will be evaluated by a Board of Experts in Power Engineering, designated by the Chapter Executive Committee. Award recipients will be notified by e-mail by **September 15th, 2023**. Chapter Officers will present the awards to the recipients at a Meeting of the IEEE Italy Section – Power & Energy Society Chapter PE31. The material sent for evaluation will not be returned. All the decisions of the Board are final.

Privacy statement

All personal data (including files) will not be disclosed to any third party without Applicants' consent. When sending documents for application, Applicants give tacit consent to disclose this material to the Board of Experts (designated after the expiration of the application deadline).

Applications should be sent to:
