

IEEE-LEOS Italian Chapter DISTINGUISHED STUDENT AWARD Rules for Participants

The IEEE Laser and Electro-Optical Italian Chapter recognizes distinguished students in the field of Optoelectronics (laser, electro-optical devices, optical fibers, electro-optical measurement techniques, quantum electronics devices and all the issues where lightwave technologies are key elements) through the presentation of a 'Distinguished Student Award'.

The Award consists of a Certificate and an annual subscription to printed version of JSTQE- Journal of Selected Topics in Quantum Electronics.

For the year 2009, five awards will be presented and refer to student **graduated in 2008**.

Only candidates with the following requisites are eligible for the award:

- be a Member of IEEE LEOS at the time of application;
- graduated *cum-laude* in Physics or Engineering (curriculum related to electro-optics and photonics) in an Italian University within 31 December 2008. The degree must be equivalent to the Laurea Magistrale (5 years-course);
- subject of the Thesis related to the field of Photonics / Electro-Optics.

Candidates must send their application by January 31th, 2009 together with:

- self-certification of IEEE-LEOS membership, with membership number;
- electronic copy in pdf format of the Laurea Thesis with a 1-page Summary of it;
- electronic copy in pdf format of the Laurea certificate, reporting the final score;
- Curriculum Vitae listing educational background, publications, awards, etc.

All documents must be sent in electronic format by LEOS IC web (<http://www.unipv.it/leos>):
