

# IEEE Computer Society, Swedish Chapter

Kristian Sandahl

2021-10-28

Nationally we call ourselves  
the IEEE

Computer/Software  
Engineering Chapter

# Board members

- Kristian Sandahl, LiU, chair
- Simone Fischer-Hübner, KAU, vice chair
- Secretary vacant
- Greger Wikstrand, Capgemini
- Jonas Melin, HiS, membership development

# 2021 year

218 members

January 12 Seminar Cybersecurity standards and their industry applications – A telecom industry example

February 3-4, 15th MODPROD Workshop on Model-Based Cyber-Physical Product Development, Stockholm and Zoom

Technical co-sponsor of:

June 14-16 Annual workshop of the Swedish Artificial Intelligence Society (SAIS), Luleå

December 2-3 The 9th Swedish Workshop on Data Science (SweDS20)

April 12 Strange Region 8 Chapter chair meeting

# Problems

- Low member engagement
- Extreme workload for teaching personnel by distance mode teaching

# Ways forward

- Find more dedicated interest groups
- Local lunch meetings
- Try to have a member meeting, my bad
- Feed-back to central IEEE:
  - Better offer for non-US members
