

Sting

Get results. Faster. Smarter.

Vision

One of the best accelerator and incubator in the world attracting the most talented innovators and entrepreneurs and contributing clear value to support them in building Swedish growth companies of the future

Goal

- Make the startups journey quicker and dramatically increase their likelihood of success.
- Turn out 25+ new international growth companies per year.
- Independent no-profit company owned by the Electrum Foundation and KTH Holding
 - Success fee-based payments from the startups to Sting via warrants.
 - Financial returns are reinvested in Sting to support new startups.
