Nationally we call ourselves
the IEEE

Computer/Software
Engineering Chapter

Board members

- Kristian Sandahl, LiU, chair
- Simone Fischer-Hübner, KAU, vice chair
- Secretary vacant
- Greger Wikstrand, Capgemini
- Jonas Melin, HiS, membership development

2022 year

197 members

February 7-8, 15th MODPROD Workshop on Model-Based Cyber-Physical Product Development, Stockholm and Zoom

Technical co-sponsor of:

June 13-14 Annual workshop of the Swedish Artificial Intelligence Society (SAIS), Stockholm

Problems

- Low member engagement
- My own situation in Software Center

Ways forward

- Find more dedicated interest groups
- Local lunch meetings
- Try to have a member meeting, my bad
- Feed-back to central IEEE:
 - Better offer for non-US members
