Universities, programs, courses

University	Programs	Courses
Chalmers	Space, Earth, and Environment	RS, EO, Image Processing
KTH	Environmental Eng. and Sustainable Infrastructure	Geoinformatics, RS, GIS, EO
Linköping	Science for Sustainable Development, Electrical Eng.	GIS, RS, Data Analysis
Linnaeus	Forestry and Wood Technology, Building Technology	Forest Remote Sensing, Geodesy
Luleå	Space Engineering and Technology	Satellite Technology, Space Systems
Lund	Geomatics, Electrical Engineering, Surveying Eng.	Surveying, GIS, RS, Image Processing
Mälardalen	Environmental Engineering	Digital Remote Sensing and GIS
Stockholm	Environmental Science, Geography	RS, EO, GIS, Spatial Analysis
SLU	Environmental Communication and Management	Remote Sensing in Forest Management, GIS
Gävle	Geospatial Information Science	GIS, Remote Sensing, Spatial Analysis
Gothenburg	Earth Sciences	RS, GIS, Spatial Data Analysis
Uppsala	Earth Science, Eng. Physics, Sustainable Development	RS, GIS, Image Processing and Analysis

Way forward

- Kick-off Meeting, Board Members Nomination (M1-2)
- Chapter Documentation and Webpage (M2-3)
- Regular Meetings (M3-12)
- Knowledge Dissemination Events, Seminars (M5,10)
- Membership Survey and Feedback (M11-12)
